Leave your car at home and enjoy everything Koala Park has to offer with Tallebudgera Creek only a 100 metre walk away and its also not too far to the pathway by the water's edge that leads under the bridge to "Echo Beach", the most idyllic spot on the Estuary. This wonderful place is a Mecca for swimming, fishing, boating, water-skiing, windsurfing and canoeing, and is also a short stroll away from Burleigh Heads National Park, which offers beautiful scenic walks and a lush rainforest to explore.

The combination of privacy, central location, leafy & coastal surrounding views this close to shops, cafes, parks, public transport & schools and overall charm is incredibly hard to find.
