

287 Scottsdale Drive Robina QLD

This is one of the best opportunities to secure a large, prominent development site within one of the most popular pockets of Southeast Queensland. With so few vacant lots of commercial land left in the immediate and surrounding areas this may be one of the last chances to get a lot this size, with the flexibility and exposure it offers.

The Location:-

- Located in the heart of Robina which has become one of the business hubs of the Gold Coast
- Surrounded by a wide array of successful local and national businesses and government organisations
- Over 37m* of frontage to Scottsdale Drive
- Over 70m* of exposure to the M1 Pacific Motorway and Railway Line
- Great public transport accessibility (bus passes the site)
- Minutes to Varsity Lakes and Robina Train Stations

Price : \$ 7,600,000
Land Size : 6985 sqm
